

The Bishops' C of E Learning Academy PSHE Overview

PSHE is split into 3 core areas: living in the wider world, relationships and health and wellbeing. Each core area is taught over one term through a combination of Philosophy for Children philosophical enquiries and lessons which cover important information. We also have a number of ad-hoc days over the year which are taught across the school.

Evidence of learning: Record any lessons/discussions/assemblies in the PSHE floor book in a way which works for your class: photos, children's work, explanations from the children, quotes from the discussions etc. With each entry to the floor book, ensure it is dated, with a brief summary of what was covered. Each page also needs either a window, mirror, or door picture, linked to our spirituality. Children at the end of a P4C session, should use the back of the RE books to write a journal log- this is not marked.

	Autumn 1: Perseverance	Autumn 2: Compassion	Spring 1: Respect	Spring 2: Forgiveness	Summer 1: Trust	Summer 2: Courage
Year 1	Living in the wider world: How can we help ourselves, each other and the world?	Living in the wider world: How do we keep safe on the internet?	Relationships: what makes a family?
