History - Significant Individuals Animal/humans – wonderful creatures What makes a friend?	Geography - Local Area Seasonal changes – wild weather How do we share?	History - Explorers and Adventurers Plants – growing things How can I keep healthy?	Geography – Sensational Safari Living things – food chains RSE
Chapter books: One to be read per term, as a range of picture books are also read each week.						
Why we have chosen it:	This book involves the main character restoring her grandma's hotel to its previous glory. There is a concept running throughout of differences between nowadays and the past and it links to our history unit in Autumn Term 1, providing children with a context of life in the past.		Three children move to the country and discover a magical place known as the Enchanted Wood. There is an enormous tree in the middle of it and at the top, there are different magical lands, which change all the time. It links to our science units and geography in Spring 2.		When Tomas discovers a strange old tree at the bottom of his grandad's garden, he doesn't think much of it. But he takes the funny fruit from the tree back into the house - and gets the shock and delight of his life when a tiny dragon hatches! This book is full of adventure and it has links to the history unit for this half-term.
